

Teste de envio de fotos por e-mail na Mini Câmera

Fizemos os testes com a Mini-Câmera enviando fotos com e-mail. Ela envia 3 fotos por detecção em intervalos programados de tempo.

Configuração e resultado:

1 - Configurar os dados do e-mail. Neste exemplo, estarei enviando e-mail a partir do meu *g-mail* para o meu e-mail *ibest*.

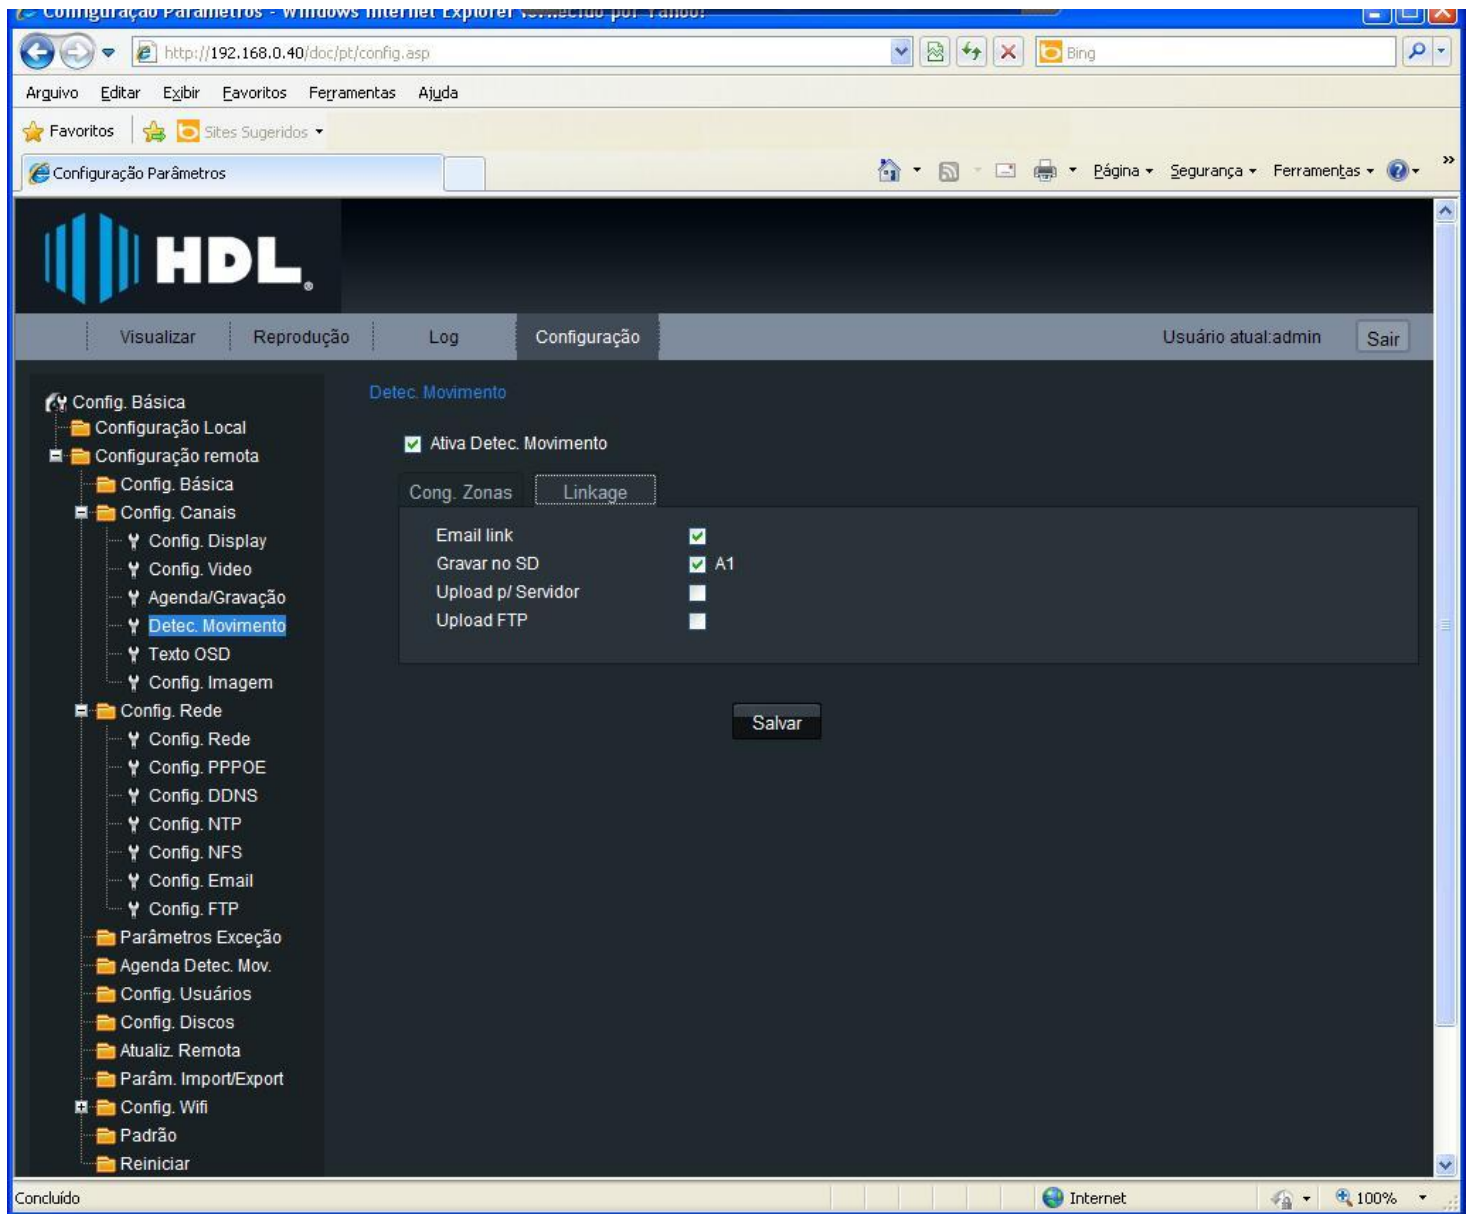

The screenshot shows the configuration interface of an HDL camera, accessed via a web browser. The browser address bar shows the URL `http://192.168.0.40/doc/pt/config.asp`. The interface is in Portuguese and features a navigation menu on the left with categories like 'Config. Básica', 'Config. Rede', and 'Parâmetros Exceção'. The 'Config. Email' section is selected, displaying the following settings:

Field	Value
Serv. SMTP:	smtp.gmail.com
Porta SMTP:	465
Serv. Autenticação:	<input checked="" type="checkbox"/>
Usuário:	ney
Senha:	••••••
Anexo:	<input checked="" type="checkbox"/>
Intervalo de envio:	5s
Habilitar SSL:	<input checked="" type="checkbox"/>
E-mail De:	ney@gmail.com
Destinatário:	Destinatário 1
E-mail Para:	ney@ibest.com.br

A 'Salvar' button is located at the bottom of the configuration form. The browser's taskbar at the bottom shows the 'Internet' icon and a 100% zoom level.

2 - Habilitar a "Detecção de Movimento" e, em "Linkage", clicar na caixa "Upload FTP".
Observar que, neste exemplo, a gravação no Cartão SD também está marcada.
A Câmera está salvando vídeo da agenda de gravação contínua no cartão simultaneamente.

3 - As fotos (3 de cada vez) estão sendo enviadas a partir do meu e-mail do gmail:

The screenshot shows a Gmail interface in a browser window. The address bar displays the URL: <https://mail.google.com/mail/ca/u/0/?shva=1#sent/13d605b96ea304d0>. The Gmail navigation bar includes links for 'Pesquisar', 'Imagens', 'Mapas', 'Play', 'YouTube', 'Notícias', 'Gmail', 'Disco', 'Agenda', and 'Mais'. The search bar contains the name 'Ney' and shows '0' results. The left sidebar features a search bar, a 'Pesquisar pessoas...' field, and a list of filters: 'Entrada', 'Com estrela', 'Importante', and 'Bate-papos'. The main content area displays an email from 'IP CAMERA: on Camera1: Motion Detected' received at 17:45 (21 minutes ago) from 'ney@gmail.com'. The email body contains the following text: 'This is an automatically generated e-mail from your IPC.', 'EVENT TYPE: Motion Detected', 'EVENT TIME: 2013-03-12,17:45:06', 'IPC NAME: IP CAMERA', 'IPC S/N: HMEG-70W0120120104BBRR406551552', 'CAMERA NAME: Camera 01', and 'CAMERA NUMBER: 1'. Below the text, there are three attachments, with the first one being a photo titled 'Camera1-1.jpg' (45K). The photo shows a meeting room with several people seated around a table, and a timestamp in the top left corner reads '12-03-2013 Top 17:45:06'. The interface also includes options to 'Baixar todos os anexos', 'Exibir todas as imagens', and 'Compartilhar todas as imagens'.

4 - E sendo recebidas pelo meu e-mail do ibest:

The screenshot shows a web-based email interface for 'IBEST MAIL'. The browser address bar displays 'mail.mailbest.ibest.com.br/mail/?AuthEventSource=SSO#inbox/13d605ba1eb38598'. The user is logged in as 'ney@ibest.com.br'. A yellow banner at the top of the email content area reads: 'Clique aqui para ativar as notificações na área de trabalho para o E-mail de Ibest.com.br. Saiba mais Ocultar'. The email is from 'neyosjr@gmail.com' received at 17:45 (27 minutes ago). The subject is 'inglês' and the language is set to 'português'. The body of the email contains the following text: 'This is an automatically generated e-mail from your IPC. EVENT TYPE: Motion Detected, EVENT TIME: 2013-03-12,17:45:06, IPC NAME: IP CAMERA, IPC S/N: HMEG-70W0120120104BBRR406551552, CAMERA NAME: Camera 01, CAMERA NUMBER: 1'. Below the text, there are 3 attachments. The first attachment is 'Camera1-1.jpg' (45K), which is a still image from a camera showing an office interior with a round table and chairs. The image has a timestamp '12-03-2013 17:45:06' in the top left corner and 'CAMERA 01' in the bottom right corner. The interface also includes a left sidebar with 'Entrada' and various filters, and a right sidebar with the sender's name 'Ney' and email address 'ney@gmail.com'.
